## **Quiz and Debate on Rainwater Harvesting and Water Conservation Measures**

**5<sup>th</sup> to 23<sup>rd</sup> December 2013, South Bangalore**

Karnataka State Council for Science and Technology in collaboration with Nisarga Mahila Samaja and local Schools organised 20 Quiz and Debate programs between 5<sup>th</sup> and 19<sup>th</sup> December, 2013 at 21 private and Government High Schools in Vijaynagar, Bangalore. Selected 50 to 80 students and few teachers participated in the program in each school. The programme for quiz and debate was scheduled for around 2 hours. The program arrangements began with the display of rainwater harvesting posters in the respective schools for providing information and creating awareness on rainwater harvesting and water conservation measures among students and teachers of the school. A 15 minutes documentary video on rainwater harvesting was screened at each school. Participating students studied the display charts and watched the documentary film on RWH.

A.R. Shivakumar, Principal Investigator, RWH, KSCST provided valuable inputs to the audience on RWH and water conservative measures. He provided tips for the students participating in the quiz programme.

The students were grouped into ten or more teams, each team consisting of 5 students. Among 5 students, one student was selected as the leader of the team to represent the team placed at the center, and he/she was allowed to answer the questions on behalf of his/her team. Two quiz masters conducted the program and three judges updated the score boards of all the teams. The quiz questions were read once and repeated again along with the multiple choice answers. Ten seconds time was given for each team by turn to answer each question. Winners of the quiz competition were selected for the debate. All the five students of the winning team were asked to prepare for participating in the debate. Two minutes per student of the winning team was allotted for speaking on RWH and other water issues. The winner of the debate was announced as the “Super Winner” of the team. A Titan watch was awarded for the Super winner and the remaining 4 prize winners were awarded with the Parker pens.

Senior officers of KSCST and other institutions were the Chief Guest to distribute prizes. Certificates were distributed by the members of Nisarga Mahila Samaja.

Dr. M. Prithviraj, Executive Secretary and others with winning students of quiz programme.

Mr. A.R. Shivakumar & Mr. U.T. Vijay with students participating in quiz programme

Smt. Suma S. Kumar along with members of Nisarga Mahila Samaja presenting certificates to winning students.

Prof. M.S. Mohan Kumar, Secretary, KSCST presenting a Titan watch as a prize to the Super Winner of the quiz programme.
