ABOUT MITE

Mangalore Institute of Technology & Engineering, Moodbidri is a leading Engineering & Management Institution in the region, established in the year 2007 by the Rajalaxmi Education Trust under the leadership of the Visionary Mr. Rajesh Chouta. The institute is accredited by NAAC with A+ Grade, offers 10 UnderGraduate programs, among which 6 are NBA accredited, 3 Post Graduate and 7 research programs in its beautiful serene green campus. The institute is placed in highest category platinum ranking in AICTE-CII survey 2020 of industry linked technical institutes in India and ranked in Band - Excellent in the private institute category under Atal Ranking of Institutions on Innovation Achievements (ARIIA) during the year 2020 and 2021 respectively. The institute known for its high academic standards, has registered 29 University Ranks over the last 5 years as a reference to the quality teaching learning pedagogy. MITE has collaborations with industries of repute . The industry-standard Incubation Centre is supported by the Government of Karnataka and MSME, Government of India to support budding entrepreneurs. MITE was awarded as the "Best Performing College of the Year 2019-20" by KSCST & the students have received several Top Awards at National and State Level events. With an intent to shape globally competent graduates, MITE has established a campus that would aid students to manifest their true selves by promoting effective learning, and creativity, to ensure that they become formidable individuals to "INVENT SOLUTIONS"

VISION

"To attain perfection in providing Globally Competitive Quality Education to all our Students and also benefit the global community by using our strength in Research and Development"

MISSION

"To establish world class educational institutions in their respective domains, which shall be centers of excellence in their Stated and Implied sense. To achieve this objective we dedicate ourselves to meet the Challenges of becoming Visionary and Realistic, Sensitive and Demanding, Innovative and Practical and Theoretical and Pragmatic; All at the same time"

ABOUT THE WORK SHOP

The Workshop on Interface of IPR and Academics serves as a collaborative platform for academics, researchers, and experts to explore the convergence of intellectual property rights (IPR) and academia. It fosters discussions on integrating IPR concepts into academic research, promoting innovation, and addressing the challenges and opportunities in this dynamic interface.
