

109 D. (5) Women Scientist Scheme – 13th WISE KIRAN IPR

Preamble:

PIC KSCST in association with Technology Information, Forecasting & Assessment Council (TIFAC), Department of Science and Technology, GoI is implementing the 13th batch of WISE Internship in IPR (KIRAN IPR) programme in southern region. This one-year programme provides on-the-job training in the area of IPR for the selected women candidates having qualifications in science/ engineering / medicine or allied areas and enables them to pursue career in the field of IPR.

In the 13th batch of WISE Internship in IPR programme, after the completion of orientation programme in February 2024, 22 candidates of southern region have been deputed to IP firms for 11 months on the job training on IPR. All the candidates have been placed at different IP law firms/ Organizations across southern state.

Progress: April to November 2024

- A two-day workshop on Patent Drafting was organized for these 22 candidates in KSCST on 25th and 26th July 2024. The main aim of the workshop was to provide complete details on the drafting of the patent in the view of Patent Agent exam.
- Regular Monthly Attendance with report being sent to TIFAC, DST, GOI.

Two-day workshop on Patent Drafting for the 13th batch WISE IPR programme candidates held on 25th and 26th July 2024, at KSCST
