37th SERIES OF STUDENT PROJECT PROGRAMME : 2013-2014

Guidelines to students for sending project synopsis for publishing in a SPP 37th Series Technical Record compendium

All projects selected for Seminar / Exhibition will be given Certificates and Technical books as a prize and an SPP Technical Compendium, a compilation of all the projects selected.

Hence Team leader of the project / Project guide are requested to send the synopsis of their project, a 2 - 3 page write-up by email [spp@kscst.iisc.ernet.in] consisting of the following points:

1. Title of the project with Project proposal reference number (37S____)
2. Name of the College & Department
3. Name of the students & Guide(s) (with email id and cell no. if any)
4. Keywords used in the synopsis.
5. Introduction / background (with specific reference to the project, work done earlier, etc) - about 20 lines
6. Objectives (about 10 lines)
7. Methodology (about 30 lines) (materials, methods, details of work carried out, including drawings, diagrams etc)
8. Results and Conclusions (about 20 lines with specific reference to work carried out)
9. Scope for future work (about 20 lines).

Note:

1. The softcopy of the above mentioned write-up should be in MS Word format and be forwarded by email (spp@kscst.iisc.ernet.in) This synopsis should be sent through the project guide (after making due corrections / modifications if any) indicating the **project proposal reference number in the subject column of email.**
2. You may kindly note that the information for compendium will be extracted as it is from your synopsis.
3. It is also mandatory to send the hardcopy (bound copy – 1 No) along with the CD of the full report (in pdf and MS Word format) attached to the booklet to KSCST. Students whose project have not been selected for seminar / exhibition, should also send the bound copy and CD of the full report.
