ABSTRACT

National Rural Employment Guarantee Act had been launched by the Government of India in all Gram Panchayats of districts to provide work for unskilled people.

Enhancement of livelihood security to the households in rural areas of the State by providing round the year employment with minimum guarantee of one hundred days of wage employment in a financial year to every household who volunteer to do unskilled manual work. We are implementing “Online automation software for NREGA using biometric” to overcome corruption, and to provide jobs for authenticated person so as to calculate the wages easily and efficiently.
