

Dear All,

Sub : Technical Talk on “Geospatial Technologies for Governance” through video streaming on Friday, 29th May 2015 between 3.00 PM - 3.30 PM

Greetings from Karnataka State Council for Science and Technology (KSCST), Bengaluru. We are happy to inform you that KSCST has established a multimedia video streaming studio, wherein we can reach through live video streaming. Using this facility, we are planning to interact on the topic "Geospatial Technologies for Governance (informed decision-making)".

Shri H. Hemanth Kumar, Fellow and Principal Investigator - NRDMS and KSSDI will be speaking on the topic "**Geospatial Technologies for Governance**"

Hence this talk is organised on Friday, 29th May 2015 at KSCST Video streaming studio, between 3.00 PM to 3.30 PM.

Live video will be streamed and can be received from your institution or your laptop with broadband / wi-fi connectivity and you can pose questions / queries at the end of his talk.

The url for viewing the KSCST streaming video is <http://14.139.128.243/videos> which opens "Lifesize UVC Video Centre" home page and on the right-hand side there will be “Live Videos link” to view the streaming video,

or Click on KSCST channel to view the recorded / stored videos.

Picture in picture can be viewed / swapped to view both presentation (ppt) and the speaker by clicking on the button on the bottom right-hand corner of the video.

At the end of the session, there will be a question and answer session which will be answered by the speaker.

You may call us on our telephone Nos : 080-23348849 extension 51 or 080-22932905 extn. 51 to interact with the speaker.

You can also send email to office@kscst.iisc.ernet.in for any queries / comments if any.

It is felt that this technical talk could be useful for Civil Engineers, Computer Science, Information Science and Mechanical Engineers, MSc. Geology, Geography, MSC Geoinformatics, Management Information System, Government officials, planners, and Decision makers.

Kindly make use of this opportunity of geospatial technology programme of KSCST.

Thanking you,

With best regards

Dr. S. G. Sreekanteswara Swamy
Executive Secretary I/c.
KSCST
